JANUARY

2024 Newsletter

'Tis the season for sharing is caring.

Germes are spread so easily and we can help prevent that by encouraging hand washing and covering coughs.

Fun Days:

January 4th– National Spaghetti Day

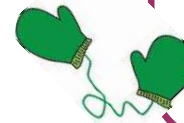

January 15th–National Hat Day

January 19th– National Popcorn Day

January 28th– National Kazoo Day

Please remember that we go outside 2x's a day.

Remember to send your child in with coats, hats, and gloves. Please have them labeled with your child's name

In the event of predicted incoming weather, while we are hesitant to make definitive calls on closing schools based solely on predictions, we also understand that should we need to close, families need time to make alternate arrangements, and should we decide to open, our teachers need adequate time to safely commute if possible. You have our commitment to closely watch weather reports and weather conditions in the geographical areas and be vigilant about making timely decisions and communicating these decisions as soon as possible.

Should a decision be made that affects operating hours of a location, school management will communicate this to families as quickly as possible via Procure App and/or email. You can also look for updates on closing information on our Facebook page (www.facebook.com/TheMeritSchool).

Thank you for being a part of our family, and we are looking forward to a great new year with you!
